Education

B.S. of Technical Systems Management

May 2015

University of Illinois at Urbana-Champaign, IL

Professional Experience

John Deere Holland & Sons, Inc.

Princeton, IL

General Employee

05/07 - 08/14

 Performed various duties including: implement detailing, yard maintenance, small equipment assembly, and intranet feature development.

Illini Union Tech Zone Urbana, IL

Student Employee

08/12 - 01/13

• Provided the first line of technical support to countless customers. In addition, I sold and educated customers about the store's products.

College of Education-User Services

Champaign, IL

Lead Technical Consultant

01/13 - Present

 Analyze faculty and staff's technical issues. Educate and communicate daily with dozens about various problems. Administrate the department's Macintosh server and am the main point of contact for online class support. Also develop new college digital signage features.

GROWMARK Bloomington, IL

IT/IS Intern

05/19 - 08/14

• Programmed, designed, and tested software using VB.Net along with various other web development tools. Co-managed an external project.

Technical Skills

Languages: Javascript, C++, Visual Basic, SQL, Java, Objective-C, German

Libraries: JQuery, Knockout.JS, Sammy.JS, Moment.JS, and more

Development Tools: Visual Studio, X-Code, Eclipse, Sublime Text, Oracle Developer

OS: Windows, UNIX (Mac OSX)

Other: Welding, Microcontrollers, Electrical systems, 3D Printing, Photoshop, Microsoft Office

Activities & Leadership

Grilling and Barbecue Club

06/13 - Present

President

- Founded this club in the summer of 2013 to share my love of grilling with the University of Illinois student body
- Plan events such as grill-outs and instructional meetings

Block I Football Student Section

04/13 - Present

Board Member

- Provide the behind-the-scenes work that goes into running the largest, student led student section in the nation
- Create and promote a safe, but cheerful student section during each home game
